

**Position Title:** ABA Therapist (Behavior Therapist)

Do you have a passion for working with kids? Are you interested in a career in the fast growing field of providing therapy to children with autism?

**Description**

We are currently seeking qualified individuals interested in joining our team as ABA Therapists located in **Boston, MA (Greater Boston Area)**

In this position, individuals will receive extensive training in the field of Applied Behavioral Analysis and be responsible for providing 1:1 therapy to children with autism and other intellectual disabilities. Therapy is directed to increase language and communication skills, social skills, appropriate play skills, cooperation skills, and daily living skills. All programs will be directed by a BCBA and ongoing training will be provided. We also provide career advancement opportunities.

**Requirements**

- Candidates must have at least a Bachelor's degree preferably in a related field
- BCBA/ BCaBA (or enrolled in classes) a plus
- Relevant previous experience a plus
- Must enjoy working with children, have great communication skills, be well organized, flexible, patient, and dependable.
