

Adjunct Faculty Positions, Applied Behavior Analysis Program

William James College is an independent graduate college of psychology that educates culturally sensitive professionals to improve the mental health of individuals and organizations.

William James College has openings for adjunct faculty positions in the Applied Behavior Analysis Program beginning January 2017.

Responsibilities: Adjunct faculty members are involved in teaching and advising

Qualifications: Candidates must possess a Master's Degree (PhD preferred) and be a Board Certified Behavior Analyst. Candidates must have prior teaching experience (3 years preferred) and exemplary professional experience.

Application Procedure: Review of applications will begin upon receipt. Interested candidates should submit

1. a detailed letter of application responding to the stated qualifications
2. a curriculum vitae, and
3. a list of three professional references with complete contact information. (References will not be contacted without the candidate's prior permission.)

Materials should be submitted electronically to: Ms. Ellen Collins, Director of Human Resources at HR@williamjames.edu.

Important Notice to All Candidates: William James College is an equal opportunity employer and is a community that embraces multiculturalism. As such, persons from historically under-represented minority groups are encouraged to apply.
