

Board Certified Behavior Analyst

RCS is offering a Sign on Bonus immediately upon start date!!

RCS is a fast growing company looking for BCBA's to join our team and build their career with us! We have been providing individualized services to children and families for close to 20 years. Our teaching is based on the principles of Applied Behavior Analysis with an emphasis on the Verbal Behavior model for teaching language and communication.

BCBA's must have experience working with individuals with Autism and with developing skill acquisition programs, function-based behavior support plans, and completing both skills assessments and functional behavior assessments. Qualified candidates should be proficient in staff, teacher and parent trainings and possess excellent communication, organization and time management skills.

This position provides a great balance of working in a variety of settings including schools, homes and within the community. Full and part-time positions are available with opportunities to work in either of our Framingham or Woburn offices!

RCS Benefits Include:

- Up to 7 weeks for vacation as well as personal time and holidays off
- Flexible schedule
- Opportunity to work from home
- Highly competitive salary
- Free CEU's offered onsite
- Oversight from experienced BCBA's
- Relocation bonus offered to eligible employees
- Excellent benefits including medical (Harvard Pilgrim) and dental insurance (Blue Cross Blue Shield). Co-pays as low as \$15.00! Short term and long term disability, life insurance, accident insurance and 401k
- Research opportunities
- Professional conference stipend
- 20% off of tuition for on-site child care
- Mileage Reimbursement
