

**Job Title:**

BCBA Consultant for Private Home Program for a 22 year-old woman

**Job Description:**

We are looking for an experienced BCBA for after school/evenings consultation, 2 hours per week (mutually agreeable time) for a 22 year-old. She is a recent school graduate, with low functioning ASD and is partially verbal. The appropriate candidate should have experience developing, assessing and implementing academic (language) and behavior support strategies in the home as well as, ADL and social skill programming. Need to update and take over program that is already in place from school district. The position would include staff training to implement the programs.

\$100-\$150 per hour (must have BCBS provider number and ability to submit invoices for either direct insurance reimbursement or family submitted reimbursement)

**Job Responsibilities:**

- Development of individual objective and treatment plan (functional and treatment analysis, behavioral guidelines development)
- Create learning materials and visual supports
- Conduct initial & ongoing assessments and progress reports
- Review data documented by staff
- Be goal-oriented
- Communicate in timely manner with the family
- Review program effectiveness quarterly, making treatment changes as necessary
- Review behavior data, meet and discuss with the appropriate staff member any discrepancies noted on the behavior data (e.g. lack of documentation, inappropriate restrictions or lack of appropriate consequences)
- Attend meetings and consult with individual's day program

**Job Requirements:**

- BCBA Required

- Outstanding organizational skills and communication skills
- Able to make a minimum of a 2 year commitment
- Dedicated and reliable
- Passionate about helping people with disabilities
