

Board Certified Behavior Analyst (BCBA)

Beacon ABA Services (Beacon) is a private group practice of behavior analysts and behavior therapists organized to provide intensive behavioral/instructional services to individuals with disabilities. Beacon utilizes instructional procedures and treatment orientations based on the principles of Applied Behavior Analysis (ABA).

Job Summary:

Beacon is currently hiring Board Certified Behavior Analysts (BCBA). If you are a BCBA with experience in applied settings developing and implementing behavioral teaching programs with children, Beacon is looking for you! BCBA's are responsible for the completion of behavioral assessments, short and long term behavioral consultations and direct treatment as assigned by the Vice President of Operations & Practice Development or the Vice President of Clinical Services.

Qualifications:

Ph.D or Masters Degree in Applied Behavior Analysis, Special Education, Psychology, or related field. Board Certification. Experience in applied settings developing and implementing behavioral interventions and teaching programs required.

Salary/Benefits:

Beacon offers highly competitive rates commensurate with experience, an excellent benefit package including medical and dental insurance, and a 401K with company contribution. **Relocation packages also available.**

How to apply:

Please visit our website at www.beaconservices.org to apply online.

Beacon ABA Services is an Equal Opportunity Employer. Applicants and employees are considered for positions without regard to mental or physical disability, handicap, race, color, religion, gender, gender identity and expression, ancestry, national origin, age, genetic information, military or veteran status, sexual orientation, marital status or other categories protected by law.
