

Boston Behavior Learning Centers (BBLC)

Behavior Analyst – Work Abroad Opportunity

POSITION:

BBLC is seeking an experienced *full time* Behavior Analyst to provide services for a **client residing abroad**.

In this role, you will deliver a combination of direct service, program design, program oversight, and consultation to the team. You will further serve as a liaison between the client, family, program director, as well as other allied health professionals including the client's physician, speech therapist, and clinical psychologist for the purpose of coordinating care. Ability to be flexible in handling cultural sensitivities is a must.

REQUIREMENTS:

Applicants must hold a master's or doctoral degree, be a Board Certified Behavior Analyst, and a Licensed Applied Behavior Analyst in the state of Massachusetts. A minimum of 3 years of experience is required for this position.

BENEFITS:

This is a great time to join BBLC! We are growing and expanding our services across the globe. Annual Salary of \$85,000 with an added bonus of \$20,000 for completing the contractual year agreement. Housing and local travel accommodations will be provided as a benefit as well. Transportation departing and returning to the US will be provided at the start and end of the annual contract. If you love working with children and adolescents with special needs and seek excellent training and support, we strongly encourage you to apply!
