

**Organizational membership:** The Massachusetts Association for Applied Behavior Analysis (MassABA) is recruiting organizations and agencies to join MassABA as organizational members. MassABA promotes increased educational and professional development to behavioral professionals throughout the state. MassABA advocates for the ethical, humane and effective application of behavior analytic principles across a range of behavioral consumers in a variety of settings. The association's goals include providing members with the highest quality continuing education, supporting networking opportunities, and promoting policies that support behavior analysis. There are several benefits, outlined below, for organizational members of MassABA.

What you get:

- **Annual conference**
  - Priority registration for employees
  - Exhibitor's booth with two registrations (booth only)
  - Ad in Program book
  - Invitation to the pre-conference dinner
- **Advocacy & Representation**
  - MassABA will host annual meetings of organizational members to address issues and concerns in the field and update members on active initiatives
  - MassABA will consult with your agency's representative around advocacy issues to ensure you have input and your agency's needs are well-represented
- **Recruitment Efforts**
  - Free postings on MassABA's job board
